

INVITATION: VISIT TO ROHDE & SCHWARZ IN GERMANY

EXCLUSIVE INVITATION: PLANT TOUR AND 6G TECH DAY AFTER IMOC 2023 IN GERMANY

Dear and Esteemed Participant of IMOC 2023 Conference,
We are happy to extend a special invitation to you, following the success of our Plant tour after IMOC 2019. Rohde & Schwarz takes great pleasure in inviting you once again to join us for an exclusive guided tour of our Plant in Memmingen, Germany. Furthermore, we are excited to announce a subsequent 6G Tech Day in Munich, promising an enlightening experience for all participants. We are excited to offer you a completely free event registration; however, please note that travel and accommodation expenses will be your responsibility.

Rohde & Schwarz eagerly anticipate your presence at these exclusive events, where we will see microelectronics, testing technology and final production of T&M instruments at our Memmingen Plant. Moreover, the 6G Tech Day in Munich promises to be a revealing experience as we explore the exciting realm of 6G technology together.

Join us for an unforgettable journey into the heart of innovation!
