CALL FOR SPONSORS

www.sbmo.org.br/imoc2023

Sociedade Brasileira
de Micro-ondas
e Optoeletrônica

Castelldefels-Barcelona, May 2022

Dear Sponsors,

On behalf of the Brazilian Microwave and Optoelectronics Society (SBMO) and the Centre Tecnològic de Telecomunicacions de Catalunya (CTTC), we are honored to coordinate the **"20TH SBMO/IEEE MTT-S INTERNATIONAL MICROWAVE AND OPTOELECTRONICS CONFERENCE – IMOC 2023"**, to be held at the city of Castelldefels, Barcelona, Spain, on 5-9 November 2023. This traditional biennial event is consolidated as an important forum that gathers professionals, researchers, academics and students in the fields of RF telecommunications, microwaves, optical communication, electromagnetism and sensors. Information about the conference can be found at www.sbmo.org.br/imoc2023.

During IMOC 2023, Sponsors' exhibitions will be held, giving our partners the opportunity to conduct business, contact clients, disseminate new products and technologies, recruit human resources as well as promote their brands to a highly qualified public. Therefore, we are pleased to invite you and the members of your company to participate as sponsors. This sponsorship is to be taken in the form of financial resource, in the categories DIAMOND, GOLD, SILVER and BRONZE, as described in the following pages.
